NARRATIVE:

Felipe Soto has an extensive adult criminal history that began at the age of 18. His convictions include multiple cases of battery, domestic violence with injury, kidnapping, evading peace officer, vandalism, felony DUI with prior, possession of marijuana for sale, multiple cases of possession of a controlled substance, contempt of court and suspended license. He has served multiple state prison terms, the longest being a 2 year term for kidnapping. Soto was released from state prison to the supervision of the Los Angeles County Probation Department on October 14, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in September 2015 after he absconded from post release community supervision (PRCS). Soto qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for kidnapping is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
